Dear Potential Sponsor,

We would like to take the opportunity and invite you to become part of the Upland Hurricanes Jr. All-American Football & Cheer family for our 2018 Fall Season. We have contacted you in hopes that you will help us make a difference in the lives of our children in our community.

We are a 501(c)(3) non-profit organization devoted to our youth through many volunteer hours and financial backing from local sponsors. There are many operating costs and expenses required to operate our successful youth program. These costs and expenses exceed the money collected through registration fees. In addition to operating costs we are dedicated to providing underprivileged children with football scholarships. Though we host several fund raising events throughout the season, the only way we can provide these scholarships is through the generous support from sponsors like you. We wish to continue our successful program with your help.

So how will you and your business benefit from your generous sponsorship?

- You will feel good knowing you are making a positive impact in the local community.
- All donations/sponsorships are tax deductible.
- Past sponsors have seen an increase in business due to local community exposure and positive community
